# General instructions and disclosures

## About this statement

**Clearing services:** Wells Fargo Clearing Services, LLC (WFCS), an indirect wholly owned subsidiary of Wells Fargo & Company, is a clearing broker-dealer registered with the Securities and Exchange Commission (SEC) and the Municipal Securities Rulemaking Board (MSRB) and is a member of the New York Stock Exchange (NYSE), the Financial Industry Regulatory Authority (FINRA) and all principal U.S. exchanges. WFCS carries your account(s) and acts as your custodian for funds and securities deposited with us directly by you, through our affiliated broker-dealer, Wells Fargo Advisors Financial Network, LLC (Wells Fargo Advisors) or as a result of transactions WFCS processes for your account. Twice a year, WFCS publishes on its web site [www.wfclearing.com](http://www.wfclearing.com) a statement of the firm's financial condition. A financial statement of this organization is available for your personal inspection at its offices, or a copy of it will be mailed upon your written request. Unless and until we receive written notice from you to the contrary, WFCS may, without inquiry or investigation, accept from Wells Fargo Advisors (i) orders for the purchase or sale of securities for your account on margin or otherwise, and (ii) any other instructions concerning your account.

**Trade date statement and trade details:** All activity and positions on this statement are shown as of the date a trade is entered on the brokerage trading system (i.e., the trade date). Proceeds from the sale of securities and costs for the purchase of securities are not transacted through your account until the actual settlement date of the trade. The time of the transactions, the name of the buyer or seller, and the source and amount of any commission or fee will be furnished upon written request.

**Pricing of securities:** Securities prices on your statement may vary from actual liquidation value. Prices are provided by outside quotation services which we believe are reliable but due to the nature of market data the accuracy cannot be guaranteed. In the absence of such pricing, prices are estimated by WFCS using available information and its judgment. Such estimates may not reflect actual trades and do not reflect a commitment by the firm to buy or sell at those prices. Securities listed on a national exchange are priced as of the close of the statement period. Unlisted shares may be valued at the current best published "bid-price", and, if none exists, the last reported transaction if occurring within the last 45 days. Prices of securities not actively traded may not be available and are indicated by "N/A." Corporate and municipal bonds and other fixed income securities are priced by a computerized pricing service or, if less actively traded, by utilizing a yield-based matrix system to arrive at an estimated market value. Listed options are priced based on the closing "bid-ask" prices and the last reported trade. Mutual fund shares are priced at net asset value. Shares of direct participation program (DPP) and real estate investment trust (REIT) securities that are not listed on a national exchange are generally illiquid. Because no trading market exists for these investments, their values are estimated. Unless otherwise indicated, the values shown for DPP and REIT securities have been provided by the management of each program and represent that management's estimate of the investor's interest in the net assets of the program. See statement sections for additional pricing information. Values for hedge funds and certain managed futures funds are provided on a month delay basis. Other managed futures funds may be priced more frequently. Long-term certificates of deposit (maturity beyond one year from date of issue) are priced using a market value pricing model. The sale or redemption price of your securities may be higher or lower than the prices shown on your statement. For an actual quote, contact the individual servicing your account.

**Estimated annual income/yield:** Estimated Annual Income (EAI), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield (EAY), when available, reflects the current estimated annual income divided by the current value of the security as of the statement closing date. EAI and EAY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EAY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate. The information used to derive these estimates is obtained from various outside vendors; WFCS and Wells Fargo Advisors Financial Network, LLC are not responsible for incorrect or missing estimated annual income and yields. Past performance is not a guarantee of future results.

**Income summary:** The Income summary displays all income as recorded in the tax system as of period end date. The totals in the Cash flow snapshot may not match the totals in the Income snapshot due to reclassifications or other corrections made in the tax system. Remember, you may have certain products that are not included in these figures and whose income is only available on the tax forms sent to you at year-end. Reclassifications and other tax reporting requirements may alter these numbers both during and after year end. You should rely only on tax reporting documents. Contact your tax advisor if you have any questions about the tax consequences of your brokerage activity.

**Texas designation:** If you are a resident of Texas who has purchased mutual fund shares, you may designate a representative to receive notification to assist in avoiding escheatment of assets in your investment account to the State of Texas. The designated representative does not have any rights to your account. Please use the Texas Unclaimed Property link (<https://claimit texas.org/>) to access the Designation of Representative for Notice Request form which you may complete and return to us at **ATTN: H0006-08K, 1 N. Jefferson Ave, St. Louis, MO 63103** or return by email at [clientcontact@firstclearing.com](mailto:clientcontact@firstclearing.com).

**Tax reporting:** We are required by federal law to report annually to you and to the Internal Revenue Service (IRS) on Form(s) 1099 interest income, dividend payments and sales proceeds including cost basis information for applicable transactions credited to your account.

## About your rights and responsibilities

**Questions and complaints about Your Account:** This account statement contains important information about your brokerage account, including recent transactions. All account statements sent to you shall be deemed complete and accurate if not objected to in writing within ten days of receipt. We encourage you to review the details in this statement. If you do not understand any of the information in your statement or if you believe there are any inaccuracies or discrepancies in your statement, you should promptly report them to both WFCS and to the manager of the Wells Fargo Advisors Financial Network office listed on the front of your statement. **Public disclosure:** You may reach FINRA by calling the FINRA BrokerCheck Hotline at **(800) 289-9999** or by visiting the FINRA website at [www.finra.org](http://www.finra.org). An investor brochure that includes information describing FINRA BrokerCheck is available from FINRA upon request. A brochure describing the FINRA Pricing of Securities Regulation Public Disclosure Program is also available from the FINRA upon request.

**MSRB disclosure:** A brochure describing the protections available under MSRB rules and how to file a complaint is available at [www.MSRB.org](http://www.MSRB.org).

**Account protection:** WFCS is a member of the Securities Investor Protection Corporation (SIPC) which protects against the loss of cash and securities held in client accounts of a SIPC member firm in the event of the member's insolvency and liquidation. SIPC coverage is limited to \$500,000 per customer, including up to \$250,000 for cash. For more information on SIPC coverage, please see the explanatory brochure at [www.sipc.org](http://www.sipc.org) or contact SIPC at **(202) 371-8300**. In addition, WFCS maintains additional insurance coverage provided through London Underwriters (led by Lloyd's of London Syndicates). This additional insurance policy becomes available to clients if their SIPC limit is exhausted and provides additional protection up to a firm aggregate of \$1 billion, including up to \$1.9 million for cash per client. SIPC does not insure the quality of investments or protect against market losses. SIPC only protects the custody function of their members, which means that SIPC works to restore to clients their securities and cash that are in their accounts when the member firm liquidation begins. Not all investments are protected by SIPC. In general, SIPC does not cover instruments such as unregistered investment contracts, unregistered limited partnerships, fixed annuity contracts, escrow receipts, direct investments, currency, commodities or related contracts, hedge funds and certain other investments.

**Free credit balances:** Free credit balances are not segregated and may be used by WFCS in the operation of its business in accordance with applicable laws and regulations. You have the right to receive from us in the course of normal business operations, subject to any open commitments in any of your accounts, any free credit balances to which you are entitled.

**Investment objectives/Risk tolerances:** Please inform us promptly of any material change that might affect your investment objectives, risk tolerances or financial situation, or if you wish to impose or change any reasonable restrictions on the management of your account. A copy of the Investment Advisory Services Disclosure document is available without charge upon request. Please contact the individual denoted on the front of your statement to update your information and to receive a copy of this document.

**Option accounts:** Pursuant to FINRA Rule 2360, option assignment notices are randomly allocated by an automated process amongst all client short option positions that are subject to exercise, including positions established on the day of assignment. Transaction confirmations that were previously furnished to you provides information on commissions and other charges related to your option transaction executions. Details of our random allocation procedures and copies of transaction confirmations are available upon request.

Open End Mutual Funds

Open End Mutual Fund shares are priced at net asset value. Estimated Annual Income and Yield refer to Dividends and Interest Income only, and typically do not reflect Total return. Although retail and government money market funds seek to preserve a net asset value (NAV) of \$1.00 per share, in a negative interest rate environment, the fund's net asset value (NAV) may float to the nearest 1/100th of a cent (i.e., \$0.9999). When the NAV is floating, the value of your investment will fluctuate and lose value.
